INTRODUCTORY NOTE

This publication contains the consolidated versions of the Treaty on European Union and of the Treaty establishing the European Community, incorporating the amendments made by the Treaty of Nice, signed on 26 February 2001.

It also reproduces the four Protocols adopted at Nice, namely the Protocol on the enlargement of the European Union, the Protocol on the Statute of the Court of Justice, the Protocol on the financial consequences of the expiry of the ECSC Treaty and on the Research Fund for Coal and Steel, as well as the Protocol on Article 67 of the Treaty establishing the European Community.

This publication does not contain the text of the other Protocols in force, nor that of the Treaty establishing the European Atomic Energy Community, nor that of other acts of primary law.

It should be noted that amendments made by the Treaty of Nice will be effective only on the date of its entry into force, as provided for in Article 12(2) of that Treaty.

This text has been produced for documentary purposes and does not involve the responsibility of the institutions.
